ENTIRE AGREEMENT: This agreement contains the entire understanding between E & R Photography and the CLIENT. It supersedes all prior and simultaneous agreements between the parties. The only way to add or change this agreement is to do so in writing, signed by all the parties. If the parties want to waive one provision of this agreement that does not mean that any other provision is also waived. The party against whom a waiver is sought to be effective must have signed a waiver in writing.

RESERVATION: A signed contract and reservation fee (agreed upon deposit) are required to reserve the specified coverage.

PRE-WEDDING CONSULTATION: The parties agree to a pre-event consultation one to four weeks before the event date or in order to plan and finalize the actual shooting times, locations, and CLIENT'S request list (in writing) for specific photographs. For packages 1 and 2, the parties agree to a 1/2 hour pre-wedding consultation at a minimum of two hours before the first photographs of the bride and groom are required. The bride and or groom agree to set aside sufficient time, before and after the ceremony to obtain photographs that cannot be obtained during the wedding. If the bride's or groom's late arrival prevents utilizing the entire time set aside for specific shots, the photographer shall not be held liable for failure to shoot and obtain the desired photographs.

COOPERATION: The parties agree to cheerful cooperation and communication for the best possible result within the definition of this assignment. E & R Photography recommends that CLIENT designate an "event guide" (someone close to the bride or groom) to point out important individuals for informal or candid photographs to the photographer during the wedding that they wish to have photographed. The photographer will not be held accountable for not photographing desired people if there is no one to assist in identifying people or gathering people for photographs. E & R Photography is not responsible if key individuals fail to appear or cooperate during photography sessions or for missed images due to details not revealed to E & R Photography.

SHOOTING TIME / ADDITIONS: The photography schedule and selected methodology are designed to accomplish the goals and wishes of the CLIENT in a manner enjoyed by all parties. CLIENT and E & R Photography agree that cheerful cooperation and punctuality are therefore essential to that purpose. Shooting commences at the scheduled start time.

HOUSE RULES: The photographer is limited by the guidelines of the ceremony official or reception site management. CLIENT agrees to accept the technical results of their imposition on the photographer. Negotiation with the officials for moderation of guidelines is Client's responsibility; E & R Photography will offer technical recommendations only.

DIGITAL IMAGES and COPYRIGHTS: Until final payment for services rendered is made, the photographs produced by E & R Photography are protected by Federal Copyright Law (all rights reserved) and may not be reproduced in any manner without E & R Photography's explicitly written permission. Upon final payment by the CLIENT, limited copyright ownership of the resulting images will be transferred to the CLIENT under the following conditions: The Prints, Reprints and Digital Images are the property of CLIENT for personal use and for the purposes of the reproduction and giving of photographs to friends and relatives. The Client must obtain written permission from and compensate E &

R Photography prior to the CLIENT or its friends and relatives publishing or selling the photographs for profit.

EXHIBITION: Requests for specific Digital Images or Prints to be used by E & R Photography may be requested at a future time. CLIENT grants E & R Photography permission to display selected images resulting from this assignment as an example of E & R's Photography work and for entrance into photographic competitions and release all claims to profits that may arise from use of images.

LIMIT OF LIABILITY: In the unlikely event that the photographer is injured or becomes too ill to photograph the event, E & R Photography will make every effort to secure a replacement photographer. If the situation should occur and a suitable replacement is not found, responsibility and liability is limited to the return of all payments received for the event package. E & R Photography takes the utmost care with respect to exposure, transportation, and processing the photographs.

However, in the unlikely event those photographs have been lost, stolen, or destroyed for reasons within or beyond E & R Photography's control, E & R Photography liability is limited to the return of all payments received for the event package. The limit of liability for a partial loss of originals shall be a prorated amount of the exposures lost based on the percentage of total number of originals.

SECURITY DEPOSITS: In the event of cancellation, the security deposit paid is non-refundable. It shall be liquidated damages to E & R Photography in the event of a breach of contract by CLIENT. The CLIENT shall also be responsible for payment for any E & R Photography materials charges incurred up to time of cancellation.

COMPLETION SCHEDULE: Processing and online posting takes approximately two weeks, no more than three weeks. Final and completed Album will be ready approximately 3-5 weeks after the event.
